<b>Sedan/Wagon</b>	\$1200
<b>Small SUV/Small Truck</b>	\$1300
<b>Large SUV/Full-Size Truck</b>	\$1400
<b>XL Vehicles</b>	\$1500

### **Wet Sanding (\$TBD)**

Removal of heavier/deeper defects that will not be removed by a traditional cut/polish procedure. Wet sanding will achieve a near perfect finish, aiding in a vehicle's final aesthetic appearance to be as close to showroom as possible.

Vehicle wet sanding is done on a case-by-case basis. Paint integrity and depth must be assessed before conducting such a procedure. Wet sanding prices will be determined at the time of consultation.
